

# Celebrate Purím!

Hear the Megillah.... Eat the hamentaschen.... Learn about the Almighty!

## Thursday, 1 March 2018

OneNewMan and Jews for Jesus want you to know about the story of Esther and Mordecai, Vashti the Forgotten, Ahashverot and the evil Haman. So join us to hear the ancient story, and consider how this ancient story is as modern as Malcolm Turnbull and Barnaby Joyce, Florida school shootings and Winter Olympics.

We start on time at 6 pm, end by 7:15.  
30 Victoria Street, Waverley

Singing, and Bible reading, prayers and fellowship together.

Dress in costume if you want.

This is a free event. We will receive an offering from believers for the work of Jews for Jesus here in Sydney.
