Dear Bob

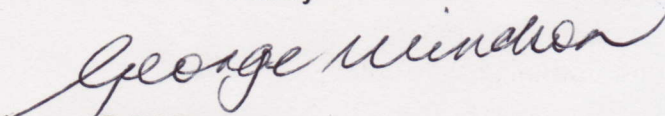

On behalf of the SECET Task Force I write to express our sincere thanks to you for your valued contribution to the success of our recent teachers' seminar.

Without exception all present thoroughly enjoyed and benefited from your presentation as revealed in these typical comments on participants' evaluation responses:

- Great knowledge, really interesting, great speaker
- Great overview, very helpful in understanding the Jewish mindset
- Excellent all round, should have been a longer session
- Fantastic, loved it. Very helpful personally and in the classroom
- An excellent humorous presentation. Highlights of Jewish history well presented. Good bookshop.

Your enthusiasm for proclaiming Jesus is infectious and was a great encouragement to all of us privileged to meet with you. We pray that the Lord will continue to richly bless your ministry and look forward to a return visit to the Shoalhaven some time in the future.

Yours sincerely
