A letter of recommendation for “Jews for Jesus”:

Jews for Jesus provides a vital link in the overall task of communicating the gospel to those who do not know Christ. It is an organisation first and foremost committed to bringing Jews to salvation through faith in Jesus. This vision has been shared amongst many churches by representatives from the organisation. In my experience, it is a ministry that is carried out in a most godly and effective manner, which is true to the gospel and the claims of Jesus upon our lives.

At Holy Trinity we have had Bob Mendelsohn to come and speak to us on two separate occasions. The first of these was a Men's Breakfast, where Bob shared with us some of the joys and difficulties of the work he is involved in. This was a most encouraging and helpful time for all of the men who were present that morning. The second occasion was a special service of “Christ in The Passover” where parishioners were able to gain a true and faithful understanding from the Scriptures, of how the Jewish Passover is to be interpreted in the light of the person of Christ in all its aspects.

I am most happy to commend Jews for Jesus to you. The organisation has a very special ministry that is well worth hearing about and supporting. Representatives are most obliging and tend to fit in well with the general programming of the churches they attend.

Yours sincerely

Rev Dr N N Emerson

(Senior Pastor)
